The provisions of Tariff Item **9993.00.00.00** has been extended to you.

Please be advised that the racing vehicles, trailers and conveyances for moving such vehicles into and from Canada, repair parts and repair equipment such as tires, wheels, spare parts, tools, portable shop equipment, etc. required to maintain the imported racing vehicles while in Canada, are permitted temporary entry under this Tariff Item. Fuel in excess of the normal tank capacity of the racing vehicles, oil, grease, and other consumables are subject to payment of duties and taxes at time of importation into Canada. Listings of goods being imported should be prepared indicating description, quantity and values

Under certain circumstances, the CBSA will require a security deposit on goods temporarily imported to Canada. These goods are normally documented on the Temporary Admission Permit (Form E29B).

At the time of exportation, goods granted temporary admission on a Form E29B must be presented along with importer's/owner's copies of the appropriate documentation to CBSA for verification and certification. This presentation may occur at a CBSA office inland or at the port of export, depending on the circumstances involved and is necessary for you to receive a refund of any securities posted. Please note that the refund is not immediate.

Goods imported for sale are not eligible under tariff No. 9993.00.00.00. These goods must be accounted for at time of release on a [Form B3](#), *Canada Customs Coding Form*. Commercial release processing is fully explained in Customs Memorandum [D17-1-5](#).

I note that you have not appointed an “Official Customs Brokers” to effect Customs clearance of goods destined for your event. It is understood, if required; participants will appoint their own customs broker.

**Provided, at the time of importation, the conditions of temporary importation previously described are met, the IECSP recommends that both the requirement for the goods to be documented on a Form E29B and the posting of a security deposit be waived.**

CBSA requires everyone seeking admission into Canada to properly declare themselves to CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

Persons who have been convicted of any criminal offences may be inadmissible to Canada. For more information please visit: <http://www.cic.gc.ca/english/information/inadmissibility/index.asp>.

If you have attendees from visa-requiring countries (<http://www.cic.gc.ca/english/visit/visas.asp>), please contact the Special Events Unit of Citizenship and Immigration Canada (CIC) at [special.events@cic.gc.ca](mailto:special.events@cic.gc.ca) with the specifics of your event. They will assess the visa requirements of your event.

Foreign nationals may engage in exhibiting, selling or displaying goods without a work permit provided they are not selling to the general public. Direct sales to the general public require a work permit. For more information please visit: <http://www.cic.gc.ca/english/work/index.asp>.

To facilitate border procedures it is recommended that any foreign national destined for your event be provided with a copy of this letter for presentation to the Border Services Officer upon their arrival to Canada.

In conjunction with the presentation of this Recognition Letter, an itemized list of goods including a description, country of origin, quantity and value is required for presentation to CBSA. If your event materials will be imported by a commercial carrier or courier service, a copy of this letter should also be attached to any shipping documents.

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Mau'veen Dayrell-Johnson
